

You can support our #Act4Age19 campaign by telling candidates about our priorities and the issues that matter to you and older people you know.

Cut out the badge below and display it where candidates will see it.

Our Priorities: General Election 2019

- 1 Staying well, feeling good** - older people enjoying good health for longer, remaining as independent as possible and receiving the best care.
- 2 Tackling pensioner poverty** - older people having enough money to live comfortably and participate fully in society.
- 3 Equal and engaged citizens** - older people valued for their contribution and experience, their rights and dignity respected and protected.
- 4 Tackling loneliness and building connections** - older people having opportunities to be as connected and socially engaged as they choose to be.
